

Alice: I miss you, my DB CAN NJ Family & I'm sending love. God is still writing your story. Don't steal the pen! Trust the author.

Chrissie: We are all in this TOGETHER

Auntie Barb: Miss you and sending lots of love

Sherel & Jim sendin' some love

From Serena: Dear Friends, I wish you all good health during this difficult time. I also hope you're finding ways to keep in touch with your family and friends, even though you can't see them in person. Finally, I hope you're able to get your basic things like groceries successfully and, most importantly, safely. I know your SSPs aren't as available to you because of all the self-isolation. In solidarity ~ Serena

Signs of DeafBlind Solidarity

From Joe: I consider DB CAN NJ "friends" who I miss on a regular daily basis. Together we will defeat this COVID-19 challenge, along with any other future challenges that affect the DeafBlind community. Thinking about "Together" and DB CAN NJ reminds me of two things: Sister Sledge's song *We Are Family* and Helen Keller's famous truthful quote, "Alone we can do so little; together we can do so much."

Jon: Love you all

Video translation: Hello, this is Stephanie Kanieski, SK. I wanted to tell the Deafblind community I deeply care for you. I look forward to a time in the future when we can be out again together, work together, and have fun. For now we need to be physically distancing from each other but it will change in time. Please continue to be patient and endure. One of my favorite Deafblind poets wrote a poem titled "Deafblind Strong." You are mighty and strong and you can do this. Continue to be positive and I will see you soon...Sending love!

Laura: All my DeafBlind friends: How precious you are!

From Michele:

You deserve more than just a Thank You

Know that you are in my heart forever

Mark: United as one

From SSP-NJ:

We are in this together!
Together we are strong!
We hope everyone is safe & healthy! We miss you all and look forward to seeing you soon!

Keeping connected one "sign" at a time!
